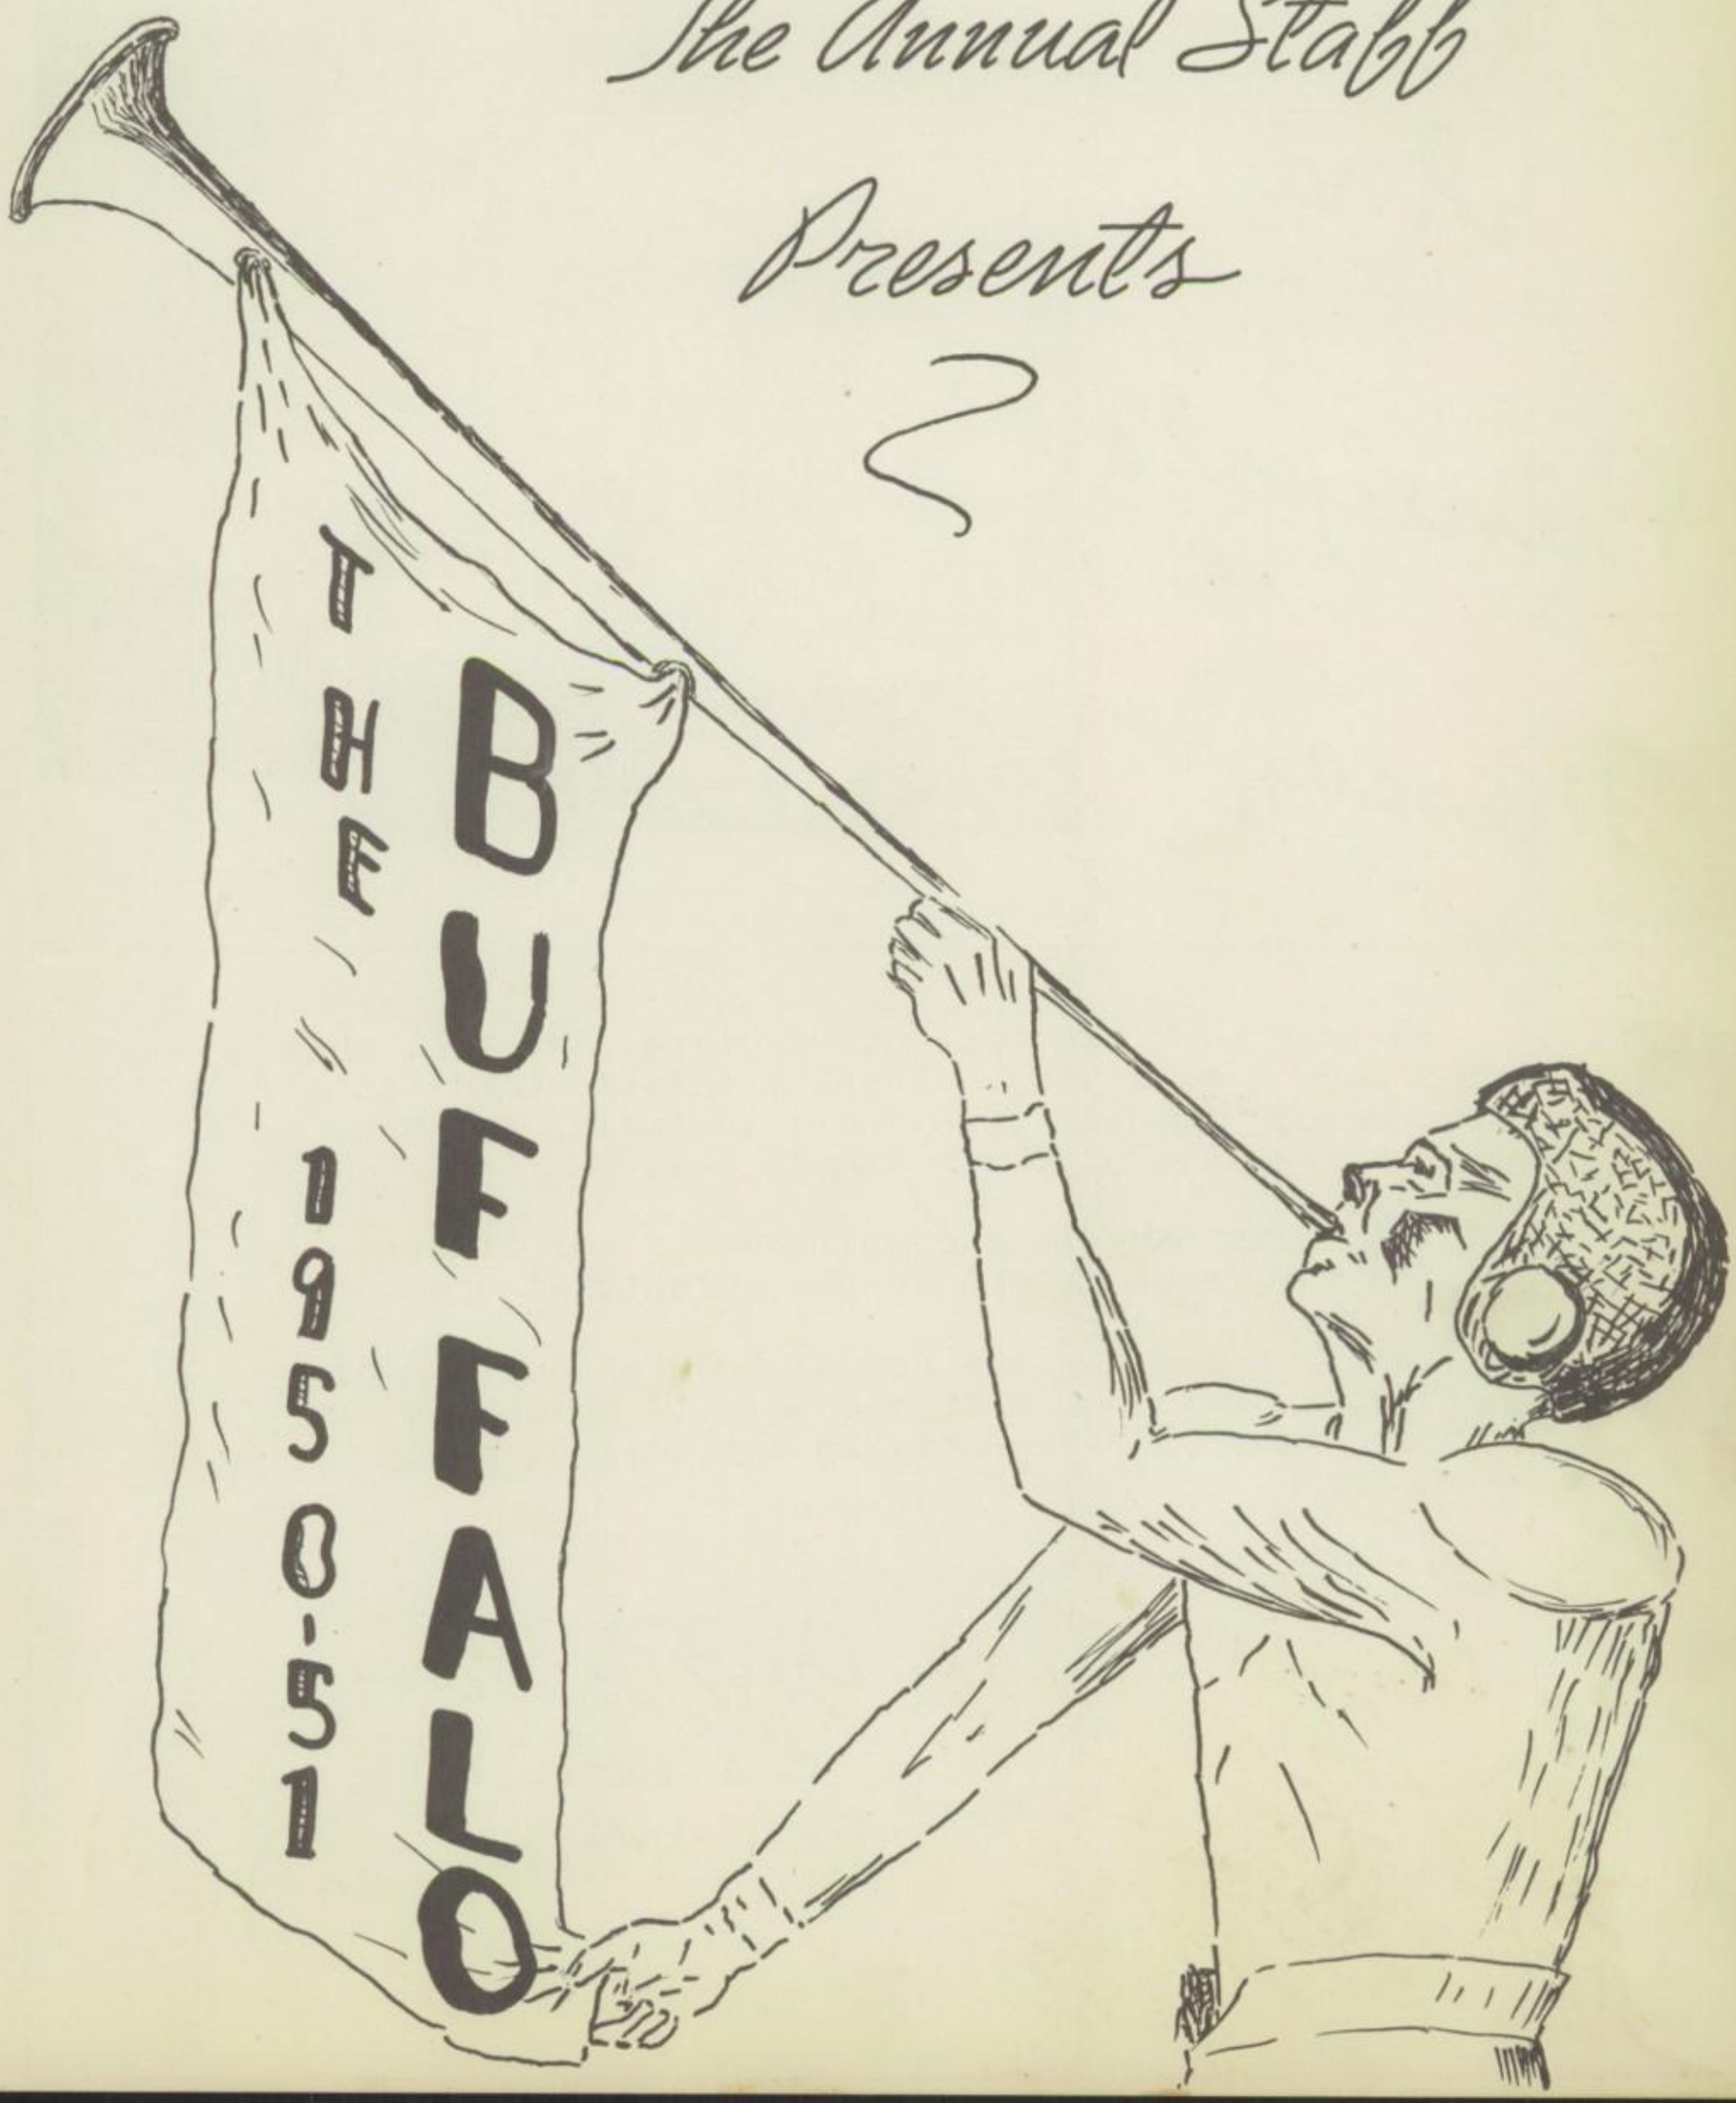
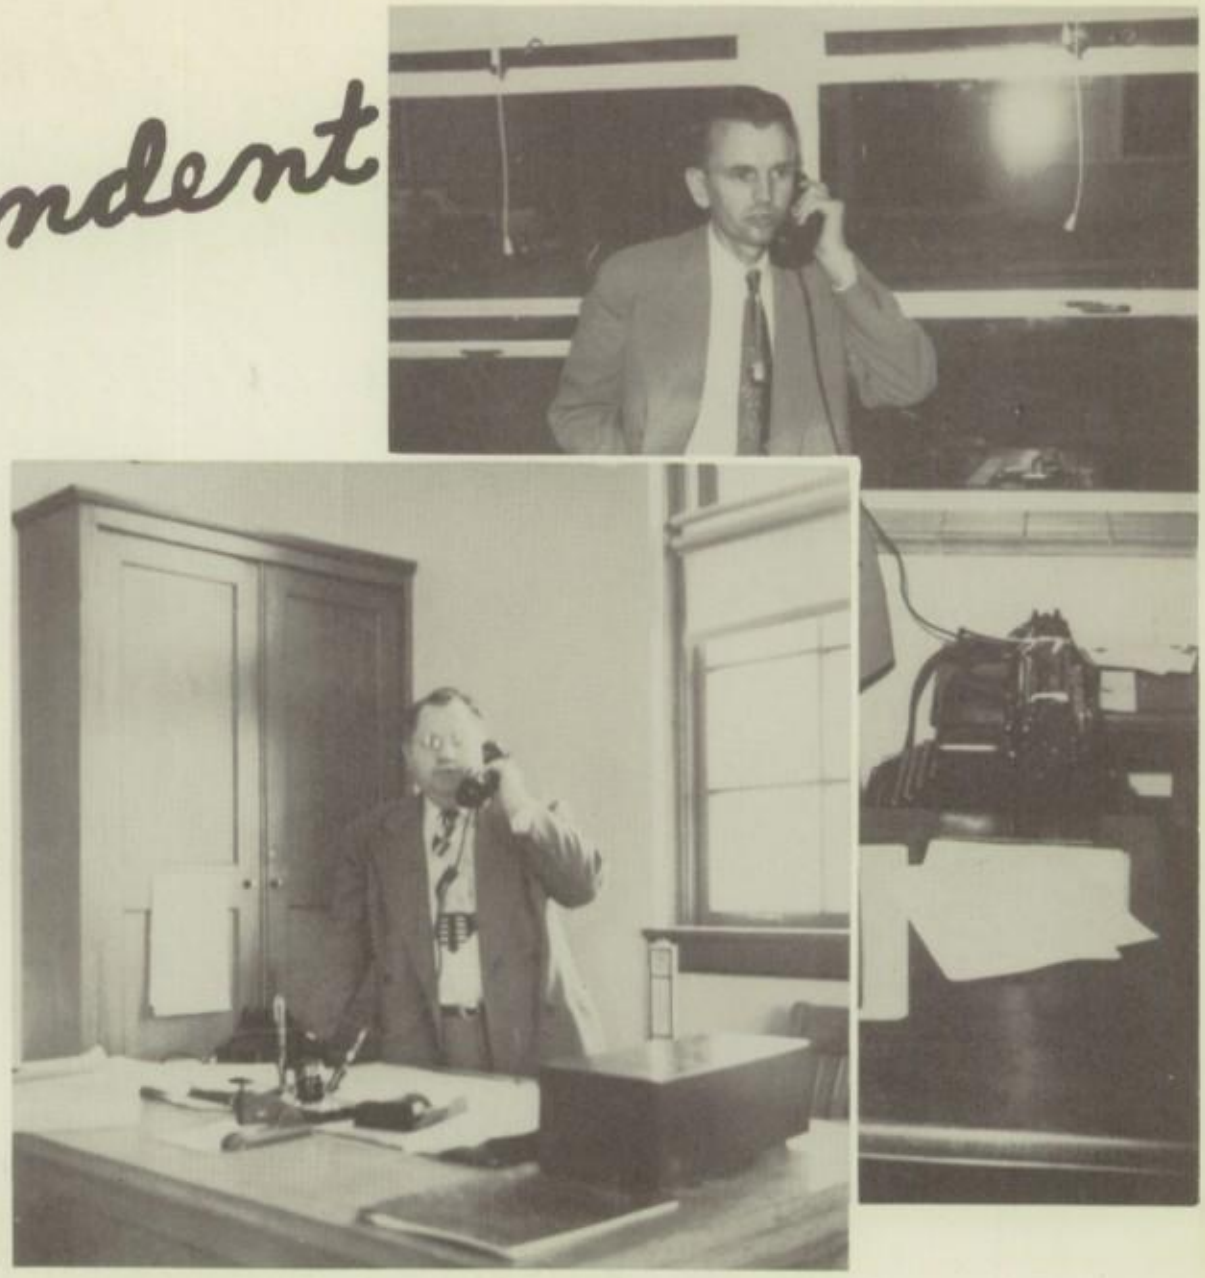
The Annual Stabb

Presents



Superintendent And Principal's Message



Another year has drawn to a close. We feel that it has been a good year. Despite chaotic conditions in the world, schools everywhere including our own, seem to have kept on their steady way.

This constancy is a compliment to our student body, to our faculty, and to the parents at home.

To those leaving the school from graduation or other reasons, go our best wishes; to those who are to return, may your re-entry in the fall be happy and unharmed.

To all good luck.
